**How to Measure**

**Bust**

Measure under your arms, around the fullest part of the breast.

**Waist**

Measure around your natural waistline, being the smallest part.

**Low Waist**

Measure approximately 2" below the natural waistline or two fingers below the navel. This measurement applies to all items which sit below the navel.

**Hip**

Measure around the fullest part of your hip.

**Leather Care**

- Store your leather garment in a well-ventilated area out of the garment bag
- Allow a wet or damp garment to air dry away from any heat source
- Remove small stains as soon as possible with a cleaner like saddle soap
- Polish with a good quality leather polish
- Use professional dry cleaners for more serious stains

**Vinyl Care**

- It is recommended that vinyl garments be stored in a garment bag away from other clothing
- Hand wash in warm water with a small amount of liquid detergent
- Wash both the inside and outside of the garment, rinse thoroughly in cool water
- Hang to dry inside out then turn to let vinyl side dry
- Polishing can be done with small amounts of silicone spray
- Different colors of vinyl should be washed and stored separately as dark colors can bleed onto lighter ones.
